Hampton Court

The RHS's premier flower show will, once again, open the doors early in July. Twenty-five acres of the enchanting Hampton Court Palace and surrounding parkland, provide an idyllic setting for the world's largest annual flower show.

With over twenty show and water gardens and one of the greatest gathering of roses in full bloom, you can be assured of something for everyone, whether a novice or experienced visitor to this world famous show.

Chelsea

Every year, the Chelsea Flower Show heralds the arrival of summer, amidst a blaze of glorious colour and exceptional exhibits. Experience the social whirl and glamour of this spectacular show.

Combine this with first class cuisine and fine hospitality, in the perfect surroundings of the Chelsea Pavilion Village, to create an occasion simply not to be missed.

Tatton Park

Set in over twenty acres of magnificent parkland, this RHS flower show offers a wealth of gardening opportunities. The show succeeds in providing you with the perfect mix of design ideas, horticultural excellence, great shopping and glorious floral displays by award winning nurseries.

The RHS National Flowerbed Competition, the Plant Plaza and the showcasing of all the very best arts, crafts and local produce, makes this one of the biggest events in the gardening calendar and certainly the event of the horticultural season.
